SkillsFuture for Business is the **one-stop portal** for Enterprises to explore information and resources on relevant **jobs and skills initiatives** under SkillsFuture Singapore (SSG) and Workforce Singapore (WSG).

Absentee Payroll (AP) Funding is an e-Service on SkillsFuture for Business to declare information and receive AP disbursements.

absentee payroll

As part of SSG and WSG's commitment to Enterprises, the **AP claim process** has been **streamlined** to enhance the Enterprise user experience!

The Absentee Payroll Claim Process

Enrolment: Training Partner (TP) will submit trainee(s) enrolment on behalf of your Enterprise in Training Partners Gateway*

AP Declaration: Enterprise receives an email to submit AP Declaration with required information including salary and worked hours for the trainee(s); and update PayNow details. Corppass is required to login to the AP Funding e-Service.

AP Disbursement: Enterprise receives AP disbursement(s) via PayNow.

*Important Note

Please ensure you provide TP with your company's Unique Entity Number (UEN), who is the direct employer of the trainee(s) that also provides salary, statutory benefits, etc. The UEN will be utilised for verification purposes as part of the funding disbursement process.

General Questions on Absentee Payroll Funding (1/2)

Q: What is Absentee Payroll (AP) Funding?

A: Absentee Payroll (AP) Funding is a grant to help employers defray the manpower costs incurred when they send their employees for certifiable skills training. AP is funded based on the actual number of hours attended by the trainee.

For training outside working hours, AP Funding will be given to the employers to defray the overtime pay that was paid to their employees. Hence to qualify for AP Funding, employers will have to pay their employees overtime pay in accordance with their Human Resource (HR) policy.

Note: AP Funding is not applicable to on-the-job training (OJT) hours.

Q: How do Enterprises apply for AP Funding?

A: For courses with course run start date on or after 1 November 2020, Enterprises will not need to apply for AP Funding. The Training Partner will enroll trainee(s) in Training Partners Gateway (TPGateway) on behalf of Enterprises. Following this, Enterprises will be notified to submit AP Declaration in the AP Funding e-Service for eligible trainee(s).

Q: How can I prevent my AP Funding from lapsing?

A: If your AP Funding is in 'Pending Declaration' status, submit your AP application before the Grant Lapse Date. If your grant is in 'Pending Eligibility Check' status, liaise with your Training Provider (TP) to ensure all disbursement criteria are met.
